

OFFICE DESCRIPTION

architects Tillmann Ruth Robinson is a design focused architectural practice driven by professional integrity, guided by personal responsibility, and motivated by social purpose.

We believe that what we do makes a difference: that our designs have a positive impact for our clients, our communities, and our environment.

We listen, reflect and collaborate with our clients to create a shared vision that is unique to each project.

We create responsible and meaningful legacies for our clients and communities that inspire and delight.

We have two studio locations: one in Toronto Ontario, and another in London.

PRIMARY RESPONSIBILITIES

architects Tillmann Ruth Robinson is seeking a creative, ambitious, detail-oriented designer and project manager to help shape our rapidly growing interior architecture studio in Toronto.

The primary duties of the Interior Designer are to assist and/or lead the development of concept design, schematic design, and design development packages. This includes material/finish selections, specifications, and detailing as well as 3D visualization and modelling.

Additional roles include cultivating existing clients, building new relationships, and potentially developing a new business plan.

REQUIRED QUALIFICATIONS

- Bachelor's Degree in Interior Design or Architecture from a recognized institution.
- Five plus (5+) year experience working in a licensed interior design firm or architect's office within the Province of Ontario.
- Exceptional graphics and presentation skills to communicate ideas including effective verbal and written skills.
- Advanced working knowledge with the latest version of REVIT and AutoCAD and SketchUp.
- Technical knowledge of building construction and the Ontario Building Code.
- Ability to produce interior construction drawings independently with knowledge of specifications and the tendering process.
- Able to deal directly with clients, consultants, contractors, suppliers and other design professionals.
- Excellent communication and organizational skills while leading or working within a team.
